

Absorb

Absorbs liquids and odors

This product absorbs liquids and odors while changing smelly liquids into an odorless semi-solid for fast easy cleanups. **ABSORB** is ideal for spills, broken containers of food or drinks, chemicals, vomit, urine, blood, or any other fluids. Each container will soak up approximately 12 gallons of liquid. Great for soaking up accumulation of liquids in trash receptacles, just sprinkle into fresh can liner, then keep the canister handy in the break room for quick, easy clean-up of spills. Scented with a pleasant lemon fragrance.

Directions: Sprinkle over liquid to be removed, wait until gel is formed, then pick up with a dustpan or cardboard. Because **ABSORB** is water soluble, simply wash area with water to remove any residue. Clean rags and mops as usual in water, will not harm or clog plumbing.

Areas of Use:

- *schools
- *buses
- *retirement facilities
- *trash cans and dumpsters
- *restaurants
- *amusement parks
- *municipalities
- *beverage warehouses
- *veterinary clinics
- *kennels
