

Attack

Drain maintainer and degreaser

This product easily dissolves and emulsifies grease, oils, and fats, without the use of harsh acids, alkalis, or petroleum products. **ATTACK** keeps pace with today's stringent safety and environmental regulations. Powerful natural degreasers and deodorizers are specially blended to out perform the conventional hazardous solvent based degreasers. The vapors of **ATTACK** are not considered harmful, making it the best choice for all your indoor and outdoor cleaning and degreasing needs. **ATTACK** will remove most resins, adhesives, printing inks, decals, rubber tire marks, baked on carbon, tar, asphalt and other soils. This organic extract has an extremely strong natural citrus fragrance to deodorize as well as clean.

Directions: For heavy duty cleaning use straight or dilute up to 10:1 with water. When diluted, **ATTACK** forms a white milky emulsion. Apply to area to be cleaned and allow to stand for about 2 minutes then agitate or scrub with a brush and rinse. For general surface cleaning and degreasing, add 2 to 4 ounces of **ATTACK** to one gallon of water and apply by spraying, brushing or moping. Allow to stand for 5 minutes, then rinse.
