

Blast

Heavy duty degreaser
and coil cleaner

BLAST is a residue free, super fast drying, high power spray that dissolves grease and rinses away dirt and grime, without injury to working parts. Features a 360° flush action valve that allows spraying in an upright or inverted position. Safe on most metal parts and coils.

Directions: Read entire label before using this product. This product is Extremely Flammable. use of this product could cause a flash fire, which may result in injury if misused. DO NOT spray on hot metal surfaces. DO NOT spray directly on painted surfaces. DO NOT apply while equipment is energized. Wet down surfaces to be cleaned using short bursts. Avoid breathing any dust or vapors that may become airborne. After all surfaces have been wetted, continue spraying to remove contaminants. Using a clean cloth, wipe or allow to air dry. For heavily encrusted areas, brush, then rinse off with a second application. Runoff should be collected and disposed of properly. DO NOT use on plastics or paint, if spilled or sprayed on plastic or painted surface, wipe off or wash off immediately.
