

# Blue Lightning

## Odorless Granular Line Treatment

**BLUE LIGHTNING** a granular odorless line treatment cleans, opens up and maintains drains. Ultra-concentrated to break down most commercial and industrial drain obstructions. Pleasant fragrance and non-fuming makes **BLUE LIGHTNING** very easy to use. Unique exothermic action helps break down: Grease, hair, coffee grounds, fats, vegetable matter, tobacco, lint, slime, drain scum and many other difficult drain conditions.

### Directions:

Remove water from sink, bowl, or tub and remove drain strainer if possible. To open and clear drains: Apply a light trickle of cold water into the drain about every 45 to 90 seconds until the drain begins to flow. Continue dosage until optimum flow is realized. Preventative maintenance to keep drains free flowing: Apply a light trickle of cold water into drain while adding 3 tablespoons of **BLUE LIGHTNING** into each drain weekly.

### Areas of Use:

- \*municipalities
- \*plumbers
- \*sewer departments
- \*apartments
- \*casinos
- \*amusement parks
- \*theaters
