

# Cannon Plus Lemon

Non-Acid, non-fuming drain opener  
and maintainer

This easy to use non-acid, non fuming drain opener requires no dangerous mixing and will not harm plastic or metal plumbing or septic tanks. It should not be used in garbage disposals. This high powered formulation penetrates thru clogging masses, converting them to soft pulp that flushes through the system, cleaning and clearing clogged drains. **Cannon plus Lemon** is heavier than water, it goes right to the clog and dissolves organic matter, grease, soap, paper, hair and lint. Ideal for both problem drains and preventative maintenance.

**Directions:** Pour one pint (1/2 bottle) directly into drain opening. Let stand for 15 minutes. Flush drain with plenty of hot water. Repeat if necessary let stand 45 minutes. For heavy clogged large industrial drains may require several treatments and allow to stand overnight before flushing with water.

For preventive maintenance use 1 pint of **Cannon plus Lemon** weekly to prevent sludge buildup.

### Areas of Use:

- \*restaurants
- \*hotels
- \*retirement facilities
- \*office building
- \*hospitals
- \*golf courses
- \*schools
- \*municipalities
- \*public buildings
- \*malls
