

Clear Lube A

Chain and cable lubricant

CLEAR LUBE A is an aerosol chain and cable lubricating gel which penetrates and lubricates moving parts. This clear lubricant provides anti-wear and extreme pressure resistance while tackifiers prevent sling off. Specially formulated additives provide excellent adhesion properties and resistance to elevated temperature breakdown. **CLEAR LUBE A** forms a non-staining, rust protective coating. Great for use on material handling equipment, chain saws, road and construction machinery, marine equipment, conveyors, hoist chains and more. USDA approved for use in federally inspected meat and poultry plants.

Directions: Spray liberally and allow to penetrate. Apply final cover coat.

Areas of Use:

- *cities and counties
- *marine
- *railroad
- *mining
- *industrial facilities
- *equipment maintenance
- *amusement parks

Health	3
Flammability	2
Reactivity	0
Protection	G

Appearance and odor.....	Clear liquid, Petroleum odor
Specific Gravity.....	Concentrate - 1.1331
VOC.....	50%
NFPA Fire Rating.....	Non-flammable
