

Dreamsicle

Highly concentrated
deodorizer

This is an extremely concentrated room and surface deodorizer with a pleasant vanilla orange scent. **DREAMSICLE** contains natural citrus odor eliminators to provide long-term results.

This highly concentrated formula can be used as a liquid deodorant, a space spray, and as a contact spray both indoors and outdoors. Great for use in carpet extraction machines, in mop water and can even be added to non-water based paint. This highly versatile super concentrated odor counteractant will reduce odors left behind from smoke, curry, pets, paint products, and more in the toughest odor areas.

Directions: TO REFRESH DEODORANT GRANULES: simply pour **DREAMSICLE** directly onto granules until saturated, and place granules in air freshener dispenser. FOR FLOORS, CARPETS, AND WALLS: Pour 1-2 ounces of **DREAMSICLE** into extraction machine, mop water, or five gallon pail of paint to remove odors embedded in carpets and walls. FOR GENERAL DEODORIZING: Spray in air to freshen the entire room.
