

# E-Z Kleen Fresh

Foaming  
coil cleaner with fresh scent  
Bio-enzymatic

**E-Z KLEEN FRESH** is has powerful, thick, clinging foam which removes dirt, lint and grease from air conditioner and heater coil fins easily and completely. Portable aerosol packaging features a strong directional spray which helps force foam into coil air spaces, and the thick foam increases dwell time to improve cleaning ability and will not 'drop out' before the coil is clean. Water-based foam creates no harsh vapors and leaves a fresh natural scent. The Bio-enzymatic action in **E-Z KLEEN FRESH** attacks mold and fungus growth and stains in pans and drain lines keeping them clean, free flowing and odor free. Increases air flow and unit efficiency to save energy. **E-Z KLEEN FRESH** leaves a fresh clean scent, with no offensive odors, contains no harsh chemicals, and is biodegradable.

**Directions:** Spray product onto air intake side of coil. Hold container 6-8 inches from surface. Direct the spray between the fins allowing product to penetrate to inner surfaces. No rinsing required. Turn unit on to create moisture that will rinse product from surfaces contacted. For units that are not operational or do not produce moisture, simply rinse with water.

Health	1
Flammability	0
Reactivity	0
Protection	B

**Areas of Use:**

- \*apartments
- \*retirement communities
- \*cold storage
- \*hotels
- \*schools
- \*office buildings
- \*hospitals
