

# Eliminator

Malodor Counteractant  
Bomb

This dry spray room deodorizer can be used as a space spray or as a total release fogger without leaving a residue. The fine mist penetrates to remove odors embedded into walls, curtains, ceiling tiles, upholstery, and more. **ELIMINATOR** is not an odor mask, it destroys odors by chemical neutralization, eliminating the need for costly fogging equipment that could break down when you need it most. One can of **ELIMINATOR** will treat 6,000 cubic feet, removing odors caused by decay, urine, feces, solvents, cigarette smoke, cooking, pet odors and much more. **Available in Spice and Vanilla.**
