

Foam Magic

Alcohol free
foaming hand sanitizer

FOAM MAGIC is an alcohol free hand sanitizing foam that will not dry out skin and has no strong odor. Kills 99.99% of most common germs that cause illness in as little as 15 seconds. Its compact size is handy to carry anywhere and has up to 150 uses per mini pump bottle! Stop wasting time going back and forth to the sink to keep your hands free of bacteria. **FOAM MAGIC** individual size can be placed inconspicuously in a vehicle glove compartment, tool box, pocket, plus many other handy locations so that it is always available when

needed. Larger sizes can be placed in a central location to share in an office, shop, classroom, or anywhere else. Needs no water or towels. **FOAM MAGIC** is available in individual 2 ounce size and desktop 16 ounce size, 1000 mL with dispenser.

Directions: To decrease bacteria on skin, dispense one to two squirts of foam magic onto palm and rub hands together until dry. Use as needed between hand washing to reduce bacteria on the skin.
