

Foamy

Anti-Bacterial Hand & Body Foam Soap

FOAMY is formulated with only the most gentle ingredients making it extremely mild to your skin, yet tough on dirt. **FOAMY** contains agents that replace natural skin oils normally washed away by regular soap. **FOAMY** is formulated with a balanced, neutral pH formula for extra mildness for even the most sensitive skin. **FOAMY** leaves your hands soft and pliable. It's great as a head and body wash. Use **FOAMY** in health clubs, rest homes, restaurants, industrial plants and in the home because **FOAMY** is a liquid, there is virtually no waste as there is with bar soap. Provides over 2,400 generous hand washes per gallon.

Directions: ***Hand Washing:*** Insert into any foam dispenser. Rinse hands with warm water to remove any loose soil. Squirt a small amount into the palm of your hand and work into a lather. Make sure to clean under your fingernails. Rinse and repeat if necessary. Dry with a clean cloth or paper towel. ***Body Washing:*** Shower with warm water to remove any loose soil. Squirt a small amount into the palm of your hand, wash cloth or lather puff and work into a lather. Scrub entire body. Rinse and repeat if necessary. Dry with a clean terry towel.
