

# Foamy

Hand & Body Wash

**FOAMY** is a high high foaming antimicrobial and antibacterial soap with Triclosan. It is effective against Staphylococcus Aureus, E.Coli, and Serratia Marcescens. Great for use in restrooms, kitchens, classrooms, offices and more. Leaves hands smelling fresh and clean. **FOAMY** contains mild detergents and the skin conditioners Aloe and Lanolin so that it is gentle enough for frequent use without drying out the skin. Reduce sickness and lost work time by using often to keep hands free of illness causing bacteria.

**Directions:** Wet hands and apply a small amount to palms. Scrub thoroughly for one minute and rinse.

**Areas of Use:**

- \*schools
- \*offices
- \*food service establishments
- \*hospitals
- \*nursing homes
- \*cities and counties
- \*industrial kitchens
