

# Food Lube

Food Grade penetrating oil  
 FDA Compliant  
 USDA rated H-1

**FOOD LUBE** penetrating oil is made up of USP petrolatum and propellant for providing a sanitary means of lubricating dairy and food processing equipment. Complies with FDA regulations. For best results, clean area with Omega's **MEGA POWER** degreaser (also USDA approved) to ensure surface is clean and free from dust and debris before applying **FOOD LUBE**. Contains no water or fillers, and is highly resistant to water washout. This product is non-toxic, odorless, colorless, and effective from -40° to 250° F. Contains no Silicone.

**Directions:** Spray product from 8-10 inches from surface to be lubricated. Leaves a pure food grade oil film on surfaces. Reapply periodically as needed.
