All Surface
Duster and Polish

GLOSS ALL is a unique dust blocking, no wax formula for use directly on surfaces as well as on cloths and mitts. Dusts, cleans, and shines in one simple operation. Removes light soil, dust, smudges, smears and fingerprints. Leaves no silicone or waxy build-up. Reduces dust accumulation to help preserve the beauty of the surface. With **GLOSS ALL** there is no need for another polish, cleaner or extra cleaning steps. Features a soak-in formula that restores life and brilliance to wood surfaces and adds a beautiful gloss to less porous surfaces. Use on marble, solid synthetic, laminate, plastic, stainless steel, baked enamel, blinds, cabinets, appliances, baseboards and paneling. Cleans, eliminates dust fly-away, and leaves a lasting shine.

Directions: Shake well before use. Spray directly onto surface holding can 6 to 8 inches away or spray directly onto dust cloth or mitt. Wipe surface immediately. To enhance appearance, turn cloth to dry side and polish to a high shine.
