

K.O.'D Plus

Instant action carpet
spot and odor remover

K.O.'D PLUS is a powerful carpet spot and odor remover. It contains a concentrated blend of enzymes and D-Limonene to remove stains due to a wide variety of causes including dirt, ink, grease, oil, mud, ketchup, urine, vomit, coffee, tea, alcoholic beverages, soft drinks and blood. With its concentrated stream spray, and upside down spray valve, **K.O.'D PLUS** easily attacks spots and stains without heavy over-spray. It quickly saturates materials for instant cleaning, and will not damage carpet, nor will it leave any residue. The active enzymes in **K.O.'D PLUS** attack and break down odors from urine, vomit and blood, leaving a pleasant fragrance. For deeply imbedded odors such as animal urine, pre-treat areas with Omega's **MEGA BAC** Liquid Alive Bacteria to completely saturate the pad and remove the odor, then spot clean carpet with **K.O.'D PLUS**.

Directions: Apply in short bursts until spot or stain is well saturated. Spot will disappear. For excessive deposits of dirt or grease, rub lightly with a towel to pick up dirt. For general carpet cleaning or large areas use Omega's **RENEW** Carpet Extractor solution.

Areas of Use:

- *banquet facilities
- *retirement homes
- *apartments
- *schools
- *model units
- *office buildings
- *vehicle maintenance
