

K.O.'D

Instant action
carpet spot remover

K.O.'D is a powerful carpet stain and spot remover. It contains strong cleaners and degreasers to remove stains due to a wide variety of causes including dirt, ink, grease, oil, mud, ketchup, urine, vomit, coffee, tea, alcoholic beverages, soft drinks and blood. With its concentrated stream spray, and upside down spray valve, **K.O.'D** easily attacks spots and stains without heavy over-spray. It quickly saturates materials for instant cleaning, but because it contains no solvents, it will not soften carpet backing, nor will it leave any residue behind. But **K.O.'D** doesn't stop there! With an effective odor neutralizer, odors from urine, vomit and blood are eliminated through oxidation catalysis, leaving a pleasant fragrance. For deeply imbedded odors such as animal urine, pre-treat areas with Omega's **MEGA BAC** Liquid Alive Bacteria to completely saturate the pad and remove the odor, then spot clean area with **K.O.'D**.

Directions: Apply in short bursts until spot or stain is well saturated. Spot will disappear. For excessive deposits of dirt or grease, rub lightly with a rag to pick up dirt. For general carpet cleaning or large areas use Omega's **RENEW** Carpet Extractor solution.

Areas of Use:

- *banquet facilities
- *retirement homes
- *apartments
- *vehicle maintenance
- *schools
- *model units
- *office buildings

Health	1
