

K.O.'D Hydro

Carpet spot
and stain remover

K.O.'D HYDRO is the next generation in carpet stain and spot remover. This powerful cleaner contains hydrogen peroxide that has been formulated at a higher pH than other "oxygen-based" cleaners. Hydrogen peroxide is more effective at higher pH making **K.O.'D HYDRO** the best option for all of your carpet spotting needs. Removes soils such as Kool-Aid, red wine, juices, dirt, ink, grease, oil, mud, ketchup, urine, vomit, coffee, tea, alcoholic beverages, soft drinks and blood. With an effective odor neutralizer, odors from urine, vomit and blood are eliminated in one easy step. For deeply imbedded odors such as animal urine, pre-treat areas with Omega's **MEGA BAC** liquid alive bacteria to completely saturate the pad and remove the odor, then spot clean area with **K.O.'D HYDRO**. Contains an anti-resoiling agent to prevent stains from reappearing.

Directions: Spray product onto stain or soil. With a clean dry cloth work from the outside of the stain to the middle in a circular motion. Allow to dry to an invisible powder which may be vacuumed away at any time.
