

# Kleen Freeze

Freezer cleaner

Use **KLEEN-FREEZE** to remove grease, blood, fat, juices, and more from refrigeration and freezer type units. It is safe to use, non-hazardous, and biodegradable. **KLEEN-FREEZE** cleans all surfaces and will not freeze, making it the ideal product to use in any cold storage or freezer cleaning application. Whether cleaning a small refrigerator/freezer or a room size unit, **KLEEN FREEZE** will make the task of cleaning any cold storage environment easier. **KLEEN-FREEZE** will not affect metal, cement, tile, paint or enamel surfaces. Use Omega's **MEGA POWER** for cleaning all surfaces outside of cold storage and freezer units, it is safe on all surfaces and is USDA approved.

**Directions:** DO NOT DILUTE. Remove residue of soil. Apply **KLEEN-FREEZE** to walls, shelves and floors by spraying or mopping. Allow **KLEEN-FREEZE** to work for up to 15 minutes. Using abrasive pad or scrapper, remove loosened soil and ice from surface. Wipe or mop clean to remove any residue.

**Areas of Use:**

- \*cold storage facilities
- \*warehouses
- \*meat packing plants
- \*industrial kitchens
- \*hospitals
