

# Mega Citra Foam

Foaming Citrus cleaner  
and degreaser  
USDA approved

This product is especially designed to remove tough grease and soil unaffected by other cleaners. Its clinging foam permits long lasting contact with both vertical or horizontal surfaces. With a pleasant citrus smell, **MEGA CITRA-FOAM** is ideal for kitchens and confined areas. This powerful cleaner has the ability to substitute for a variety of cleaners, making the choice of products easy for your employees. The thick foam and heavy duty cleaning formulation dissolves grease, oils, hair spray, crayon and other heavy soils easily. Contains no chlorinated or petroleum solvents, and is biodegradable. **MEGA CITRA-FOAM** has a unique "spray anyway valve" that allows the can to spray in any position for those difficult to reach areas. The USDA has authorized this formulation for use in federally inspected meat and poultry plants.

**Directions:** Spray liberally onto surface to be cleaned or onto rag. Wipe surface clean. For tough jobs allow foam to penetrate for 3-5 minutes before wiping.

**Areas of Use:**

- \*walls
- \*doors & mouldings
- \*stoves
- \*vinyl
- \*sinks & tubs
- \*trash cans
