

# Mega Clear Concentrate

Non-amoniated window cleaner concentrate

This non-streaking, film free glass cleaner can be diluted with water up to 50:1 and is one of the best industrial glass cleaners available. **MEGA CLEAR CONCENTRATE** will remove smoke, dirt and grimy films on glass, countertops, windshields, and porcelain, plus any polished metal surface. **MEGA CLEAR CONCENTRATE** is a residue-free cleaner that eliminates spots, film and streaks, and may be used on any surface that is not harmed by water. Great for use as a general purpose cleaner for plastic, vinyl, plexiglass, chrome, porcelain, counters and tabletops, tile and vinyl. For added convenience try Omega's **MEGA CLEAR Q** ready to use formula, or for those on-the-go try Omega's **MEGA CLEAR WIPES** pre-moistened glass cleaning towels.

**Directions:** Mix well before using. Apply to surface to be cleaned. Use a lint free cloth to wipe area clean.
