

Mega Grease-A

White food grade grease
 USDA approved
 Rated H-1

This USP grade lubricant is USDA authorized for dairy and food processing equipment. Ideal for industrial applications that deal with any type of food related manufacturing, preparation, processing or packaging. Contains no silicones or solvents. **MEGA-GREASE-A** is a mineral oil based white food grease that will not turn rancid or stain, resists throw off and water or steam washout, helping to reduce the frequency of lubrication required. The formulation includes a special thickening agent that insures the product will stay put for long lasting lubrication and protection against rust and oxidation. **MEGA-GREASE-A** has outstanding water, salt spray and detergent resistance. Effective in temperatures ranging from 0° to 450° F, and is resistant to high pressures.

Directions: Spray a thin film of **MEGA-GREASE-A** on surface to be lubricated. For pinpoint application, insert extension tube into actuator. For pre-lubrication cleaning use Omega's **MEGA POWER** cleaner and degreaser, it's USDA approved.

Areas of Use:

- *bakeries
- *bottling plants
- *wineries
- *canneries
- *egg processors
- *meat and poultry processors
- *pharmaceutical manufacturers
- *dairies

Health	0
Flammability	1*
Reactivity	0
Protection	B

*Concentrate Only

Appearance and odor.....	White cream, odorless
Specific Gravity.....	Concentrate - 0.9
Propellant.....	Liquefied Petroleum Gas
VOC.....	70%
NFPA Fire Rating.....	Extremely Flammable Spray
