

# Mega Solv

Non-Chlorinated  
Solvent Cleaner

**MEGA SOLV** a residue free, fast drying, heavy duty formula that removes brake fluid, grease, oil, dust, operating erosion and other contaminants from brake parts, pads, discs. Lining and drum. Features a 360° flush action valve that allows spraying in an upright or inverted position. Helps stop disc brake squeal and chatter, extends the life of brake assemblies and improves brake performance.

**Directions:** Read entire label before using this product. This product is Extremely Flammable. use of this product could cause a flash fire, which may result in injury if misused. DO NOT spray on hot metal surfaces. PROTECT all rubber brake parts and painted surfaces from product and overspray. DO NOT spray directly on painted surfaces. DO NOT apply while equipment is energized. Wet down surfaces to be cleaned using short bursts. Avoid breathing any dust or vapors that may become airborne. After all surfaces have been wetted, continue spraying to remove contaminants. Using a clean cloth, wipe or allow to air dry. For heavily encrusted areas, brush, then rinse off with a second application. Runoff should be collected and disposed of properly. DO NOT use on plastics or paint, if spilled or sprayed on plastic or painted surface, wipe off or wash off immediately.
