

# Mega Strip

Easy to use heavy duty  
non-ammoniated  
wax stripper

**MEGA STRIP** is a highly concentrated floor stripper that rapidly penetrates and strips even the new modern floor finishes, removing old deposits and making the toughest jobs seem effortless. It will remove multiple layers of old finish without the use of a machine. **MEGA STRIP**'s non-ammoniated formula can be diluted from 8 to 16 ounces per gallon of hot or cold water depending upon floor conditions (hot water recommended). This heavy duty stripper is odorless, sudsless, and is safe for use on all floor surfaces including wood. Has no harsh odors and is biodegradable.

**Directions:** **MEGA STRIP** Can be used with a mop, brush or machine. Use 8 to 16 ounces per gallon of water. Rinse well with clean water and allow to dry before applying Omega's **MEGA SHINE** high gloss floor finish.
