

P.G.C.

Plastic and glass cleaner
and protective coating

P.G.C. is a clear anti-static, anti-fog cleaner and coating that is safe on glass, plastic, plexiglass, acrylic, chrome, stainless steel, marble, lexan, CRT screens and many other surfaces. Marks on treated surfaces wipe off easily. Reduces eye strain by filling in minute scratches to help eliminate glare and will not streak or haze. **P.G.C.** also reduces smudging, smearing, and scratches on treated surfaces. Not recommended for exterior windshields. Ideal for cleaning hotel restroom mirrors for a fog free surface that easily wipes clean. USDA Approved.

Directions: Shake well. Spray from a distance of 6-8 inches. If surface is dirty, use first application to clean area, then reapply. Wipe with a clean, dry cloth. The unique 360 degree valve allows product to be sprayed in inverted or upright position. Extra coats will provide additional protection.
