

# POW!

Heavy Duty Industrial Foaming  
Cleaner and Degreaser.  
Powerful Foam Spray.

**POW!** is a unique aerosol foam which enables simple and easy degreasing of tools, parts, workbenches, vent covers, machinery, coils, industrial equipment, concrete and more! Sprays as an engulfing, heavy-duty foam that clings to surfaces and provides extended degreasing contact time. **POW!** contains super powerful, grease-dissolving agents and detergents for instant mega forceful degreasing action. Deodorizes as it degreases, leaving a fresh citrus scent. For areas where re-lubrication is desired, try one of Omega's full line of greases and spray lubricants.

**Directions:** SHAKE WELL BEFORE USING. For best results, spray directly onto greasy surfaces. Allow **POW!** to remain on the surface for five minutes then flush with water or wipe clean. For heavy build-up allow **POW!** to remain on the surface for several minutes prior to flushing or wiping. For thick encrusted build-up a stiff bristle brush may be required.

**Areas of Use:**

- \*engines
- \*vehicles
- \*lawn equipment
- \*floors
- \*walls
- \*trash cans
- \*road equipment
- \*oily machinery and tools
- \*municipalities
