Protect Your Kisser  
SPF 30 lip balm

Whether the sun is shining or the wind is blowing, your lips can take a beating by getting too dry or sun burnt. Protect them with **P.Y.K. - PROTECT YOUR KISSER** lip protectant with SPF 30 sunscreen. This conditioning lip balm helps prevent sunburn and prevents and protects chapped, cracked or wind burned lips. Before sun exposure, try Omega's **PROTECTOR** sunscreen with SPF 30 on face and other exposed skin to protect from UV rays and sunburn all over.

**Directions:** Apply liberally before sun exposure or as needed to keep lips soft and healthy, or to heal dry, chapped lips.
