

Pink Power

Heavy duty
bathroom cleaner

PINK POWER is a very powerful mild acid bowl and porcelain cleaner. It cleans, disinfects and deodorizes toilet bowls, sinks, tubs, shower stalls and tile surfaces. **PINK POWER** removes soap scum, metallic soap build up, rust, lime and hard water stains from porcelain, chrome, brass, ceramic tile, grout, sinks, shower stalls, drinking fountains, and stainless steel fixtures. This thickened heavy duty cleaning formula stays on vertical surfaces longer to increase contact time for easier cleaning. **PINK POWER** does not contain any bleach or abrasives. To polish and protect metal surfaces after cleaning, use Omega's **ALWAYS SHINE** metal polish, or Omega's **TOTAL** multi-surface polish.

Directions: FOR TOILETS AND URINALS: Apply 4-5 ounces to bowl then use a bowl mop to spread evenly and clean entire surface. Allow to stand for 3-5 minutes. Rinse. FOR HARD WATER SPOTS AND RUST STAINS: Apply full strength with a soft cloth. Rinse promptly.

Areas of Use:

- *hotels
- *schools
- *cities
- *counties
- *amusement parks
- *stadiums
- *apartments
- *retirement homes
- *public buildings
