

RainCoat

Water and stain repellent

RAINCOAT is a water and stain repellent that helps keep grease, oil and spills from soaking into fabric and carpet and becoming stains. Use **RAINCOAT** to reduce maintenance costs by protecting curtains, carpet, leather, and other surfaces from constant spots and stains. Raincoat can also be used to protect paper, wood, granite, grout, porous stone, cardboard, marble and more.

Directions: Shake well. Spray area to be treated liberally and evenly. Avoid flooding the area. Allow to dry, drying time is usually about 5 minutes. Over time reapplication may be needed.

Areas of Use:

- *hotels
- *hospitals
