

Repel Wipes

Insect repellent wipes

These very handy insect repellent wipes are the easiest way to protect yourself from unwanted pests and resulting bites. Keep a canister in your vehicle and you'll always be prepared. **REPEL WIPES** are effective against mosquitoes, biting flies, chiggers, ticks, stable flies, black flies, gnats and fleas on exposed skin. Contains DEET for maximum effectiveness. Protect yourself and your employees from the threat of West Nile Virus and other diseases passed by mosquitoes. **REPEL WIPES** are recommended for anyone who works outdoors before dawn and after dusk. In order to meet the needs of everyone on your staff, also try Omega's **NATURE'S REPEL** all natural insect repellent without DEET.

Directions: Apply just enough repellent to cover exposed skin and/or clothing. Do not apply directly to face, use sparingly around ears. After returning indoors, wash treated skin and clothing.

Areas of Use:

- *park & recreation departments
- *utility companies
- *water treatment plants
- *golf course maintenance
- *amusement park workers
- *cities and counties
