

Restore

Cleaner, Protector
and Conditioner

This light foam surface protectant cleans, restores, and protects vinyl, leather, plastic, wood, stainless steel, fiberglass, aluminum, rubber and more. **RESTORE** contains special additives that protect surfaces from sun damage, fading, drying, hardening, and cracking. Leaves a high luster gloss finish without a greasy residue. The unique 360° spray valve allows the product to be sprayed in any position for ease of application in hard to reach areas. **RESTORE** is waterproof after application and will withstand multiple washings. Restores original color and pliability to most vinyl tops, rubber and dashboards. When using for vehicles, **RESTORE** can be used on all surfaces except glass so all you need is **RESTORE** and **MEGA CLEAR** streak free glass cleaner to clean and polish all surfaces.

Directions: Clean heavily soiled surfaces first with Omega's **BIO POWER** or **MEGA POWER A** degreaser/general purpose cleaner. Spray onto surface and spread evenly with a cloth or sponge. Allow to penetrate before buffing and polishing with a clean dry cloth or polishing pad.

Areas of Use:

- *tires
- *detail shops
- *vinyl tops
- *plastics
- *airplanes
- *fleet vehicles
- *busses
- *municipalities
- *building maintenance

Health	1
