

Scent Appeal Jell

Thickened spray deodorizer

SCENT APPEAL JELL is a thickened water soluble deodorant that has been developed to attack odors at the source and eliminate them. The thickened formula increases dwell time and allows the scent to evaporate slowly, making it last much longer. **SCENT APPEAL JELL** may be added to mop water, cleaning solutions, and to carpet extraction machines to deodorize while cleaning. Use **SCENT APPEAL JELL** to combat odors caused by smoke, urine, food, vomit, medicines, drains, garbage and more. Can be diluted or used straight for maximum versatility. **Available in Plumeria.** For all your general purpose cleaning needs try Omega's **SNC - SUPER NEUTRAL CLEANER** together with **SCENT APPEAL JELL**.

Directions: AIR FRESHENER: Disperse into the air to remove all obnoxious odors. CARPET CLEANING MACHINES: Add directly to cleaning solution at a rate of 3/4 oz. per gallon of water. DEODORIZING: For small areas, put small amount on wet sponge and wipe area. For larger areas, use a trigger sprayer and spray directly onto source of malodor. For full room deodorizing, add **SCENT APPEAL JELL** to mop water or cleaning solutions.

Areas of Use:

- *hotels
- *hospitals
- *apartment complexes
- *cities and counties
- *office buildings
- *retirement facilities
- *kennels
