

Slime Away Power Foam

Drain Opener and Degreaser

SLIME AWAY Power Foam is a natural citrus based product that is designed to clear clogged drain lines. The high pressure spray through the 18" tube permits quick penetration directly to the source of the problem to dissolve grease, body oils, soap and sludge buildup. The tube attachment for **SLIME AWAY Power Foam** also allows easy access for clearing hard to reach areas such as drinking fountain and ice machine drain lines, plus air conditioner condensation lines. **SLIME AWAY Power Foam** is an ideal product to use on a preventive maintenance program because it does not need to be rinsed, it can sit in the drain line indefinitely. **SLIME AWAY Power Foam** contains no chlorinated solvents or petroleum distillates, is non-caustic, non-acid, and has no harmful vapors. Completely biodegradable.

Directions: 1. Attach tubing to spout. 2. Direct tube into drain as close to blockage source as possible. 3. Spray liberal amount through tube. 4. Allow time for product to penetrate and break down blockage. (For best results, allow to set overnight). 5. Flush drain. 6. After blockage is removed, spray again into drain and let set. (To maintain a free flowing drain, periodically spray product into drain and let set for as long as possible.) **NOTE: TO PROTECT AGAINST BACK SPLASH WEAR EYE PROTECTION.**

Health	1
Flammability	3
Reactivity	1
Protection	A

Areas of Use:

- *Drinking fountains
- *Garbage disposals
- *Condensate lines
- *Ice machine drains

- *Soda fountain drains
- *Schools
- *Hospitals
- *Municipalities
- *Restaurants

Appearance and odor.....	Clear, pale yellow liquid with fresh citrus orange.
Specific Gravity.....	Concentrate - 0.84
Propellant.....	Propane/N-Butane
VOC.....	N/A
NFPA Fire Rating.....	Flammable Spray
