

Soy Away

Soy Based Graffiti Remover

SOY AWAY is an environmentally safe and natural soy based graffiti remover and paint stripper. **SOY AWAY** is designed to remove graffiti from most surfaces, and can be used for the removal of paint, varnish and some waxes. Works on glass, brick, concrete, metal surfaces, signs, furniture, wood, trees and many other surfaces. **SOY AWAY** is powerful enough to remove lipstick, crayon, spray paint, sticker and tape residue, waxes, inks, and scuff marks safely, with no damage to the original surface. For convenience on the go, try **SOY AWAY GRAFFITI WIPES** for smooth surfaces such as signs and light posts.

Directions: Apply to the surface with a sprayer, sponge or brush. Allow approximately 10 minutes to work, agitate as needed. On smooth surfaces, use a rag to wipe clean, on rough surfaces use a stiff brush and flush with water to rinse. **SOY AWAY** contains natural oils, so surface may become slippery when wet. Use Omega's **BIO POWER** environmentally friendly degreaser to remove any oil residue.

Areas of Use:

- *paint departments
- *graffiti abatement
- *school districts
- *facilities maintenance
- *hotels
- *hospitals
- *office buildings
