Carpet Freshening Sprinkles

This dry powder quickly deodorizes rugs, upholstery and carpets by eliminating absorbed odors from fibers. **SPRINKLE FRESH** also helps eliminate static electricity on carpets and rugs as it freshens the entire room. **SPRINKLE FRESH** can also be used in trash compactors, air vents, air filters, sand urns, waste receptacles, elevators, storage closets, etc., to destroy odors from pets, cigarette smoke, garbage, musty air and much more. **SPRINKLE FRESH** is easy to use, and will mask odor in carpet and upholstery indefinitely without any additional effort. The fresh scent is revived each time the area is vacuumed!

Directions: Simply sprinkle onto carpet or upholstery a few minutes before vacuuming. For sand urns and trash receptacles, sprinkle into urn or fresh can liner.
