

Super Power

Heavy duty emulsifier
and degreaser

SUPER POWER is a concentrated, powerful grease fighter that will quickly clean the toughest grime. The non-polluting formula makes it a great choice for any environmentally conscious situations where safety is also an issue. Different dilution ratios allow this product to be a very versatile cleaner, and it may be used anywhere water is safe to use. The formula for this product is USDA approved, non-toxic, non-corrosive and *entirely* biodegradable. **SUPER POWER** is effective on grease, carbon, grime, oil, soap scum, soot, etc. If you need it cleaned, this is the product of choice. **SUPER POWER** will also neutralize most products that are used to clean and etch concrete such as Omega's **CON RENEW**.

Directions: Dilute **SUPER POWER** according to the project at hand. Reduce scrubbing time by using **SUPER POWER** for all of your cleaning needs. Can be used with Omega's mixing station for convenient pre-measured solutions.

Areas of Use:

- *manufacturing plants
- *apartment complexes
- *municipalities
- *warehouses
- *hotels
- *golf courses
- *malls
- *parking lots
- *oil refineries
- *printing industry
- *schools

Dilution Ratios:

- Water : SUPER POWER**
- 60:1** for use with pressure washer
 - 20:1** as a light duty all purpose cleaner
 - 8:1** for medium duty cleaning, walls and floors
 - 4:1** to clean heavy soils, oil, grease, tires, concrete, A/C coils
 - 1:1** for extreme conditions such as engines, industrial trucks, crude oil deposits, etc.

Health	1
Flammability	0
Reactivity	0
Protection	B

Appearance and odor.....	Yellow liquid, slight odor
Specific Gravity.....	Concentrate - 1.085
VOC.....	N/A
NFPA Fire Rating.....	Non-flammable
