

# Tar Away

Heavy duty tar  
and asphalt remover

**TAR AWAY** is a specially formulated compound for the fast, easy and economical removal of tar, grease, oil and sludge from municipal and construction equipment and oil tankers. Emulsifies asphalt, dirt and baked on oils so that they can be washed off easily with water. Equipment looks better and lasts longer when cleaned with **TAR AWAY**. Contains a very effective combination of aromatic and aliphatic petroleum solvents, and a chlorinated solvent. **TAR AWAY** is non-toxic and safe on most painted surfaces, plus it has an indefinite shelf life with no special handling requirements.

**Directions:** **TAR AWAY** can be used straight or mixed with other solvents. Apply with sprayer then flush off with a stream of water.
