

# Uni-Bowl

Toilet bowl deodorizer

**UNI-BOWL** is a complete toilet maintenance system in a disposable one-piece unit. Each time the fixture is flushed a pre-measured amount of chemical compounds, enzymes and powerful cleansers are released that descale, deodorize, and help maintain the fixture's cleanliness and drain lines. **UNI-BOWL** attacks fixture odors two ways: by removing the source of the odor, uremic salts that accumulate in the drain, and by dispensing a pleasant scent. Why waste time cleaning fixtures, spraying deodorizers and treating drain lines when **UNI-BOWL** can do it all for you. The unique design of the **UNI-BOWL** hanger protects the chemical block and allows it to last longer than other deodorizers by not allowing rushing water to cause excess erosion of the block. **Available in Green Apple and Blue Spice.**

**Directions:** Clean the fixture with Omega's **PINK POWER** or **WONDERFOAM**, then place the **UNI-BOWL** on the toilet rim with the exposed face of the chemical block facing the fixture. Replace approximately every 30 days or as needed.

**Areas of Use:**

- \*hotels
- \*casinos
- \*theatres
- \*office buildings
- \*school districts
- \*custodial services
- \*hospitals
- \*shopping malls
- \*amusement parks
